

§ 2506.43

(2) The amount and basis of the debt;
(3) That the agency has prescribed regulations for the exercise of administrative offset; and

(4) That the agency has complied with its own administrative offset regulations and with the applicable provisions of the Federal Claims Collection Standards, including providing you with any required hearing or review; and

(b) Upon a determination by the Chief Executive Officer that offsetting funds payable to you by the Corporation in order to collect a debt owed by you would be in the best interest of the United States as determined by the facts and circumstances of the particular case, and that such an offset would not otherwise be contrary to law.

§ 2506.43 When may the Corporation make an offset in an expedited manner?

The Corporation may effect an administrative offset against a payment to be made to you before completion of the procedures required by §§ 2506.41 and 2506.42 if failure to take the offset would substantially jeopardize the Corporation's ability to collect the debt and the time before the payment is to be made does not reasonably permit the completion of those procedures. An expedited offset will be promptly followed by the completion of those procedures. Amounts recovered by offset, but later found not to be owed to the Corporation, will be promptly refunded.
